I am very unhappy about this potential divide of wards as proposed. I reside in Wisbech St Mary and the community between here, Guyhirn, Murrow and Parson Drove is one of a close knit nature, with various activities such as coffee mornings, street pride and community speed watch projects crossing each area. If the proposed changes are made, there will be a divide in my ward presented by the A47, the communities are too far apart for any one councillor to manage and the proposed border, simply does not make sense, unless it is for political gain. I would be extremely saddened if this proposal were to go ahead.
