I live in Leverington. I do not feel that the proposed wards reflect the local communities here. The suggestions removes our village status and identity by including us with a considerable part of Wisbech town, an area we do not have direct contact with except by road. Leverington is a rapidly growing area, has its own primary school, social club, village hall and church. There is a proposal for a secondary school in this area. Therefore I consider keeping our present area with Roman Bank with our own Leverington Parish council. I feel that we will miss out on repairs/beneficial developments if we become a suburb of Wisbech.
