### Comment text:

Strange that the chance to have a say on this subject only gives you 4 days to comment its like you don't want anybody to have a chance to question the reasons for the changes are there any positives for the people of fenland what do we get will this cause more issue of decline in fenland or will this benifit cambridge more at the expense of the rest of cambridge shire who or whom makes the final decision an elected official or some bureaucrat and will they be geld responsible for their mistakes
