### Comment text:

I live in Wisbech St Mary and feel strongly opposed to being joined with Elm. I understand the aim of trying to equalise the number of people represented by councillors and the difficulty in maintaining some areas as a unit. However, I cannot see what links we have with Elm! We are not geographically that close and do not have an obvious shared identity. I feel it is totally wrong to remove us from our nearby villages of Murrow, Parson Drove and Guyhirn as often what happens in one village affects us all. This is not true of Elm.
