Apley Castle was previously part of Leegomery Ward until 2003 ,When the boundaries were changed and an independent ward was formed .Councilor Karen Blundell became ward councillor in 2003 when the first borough elections for Apley Castle were held and Karen is still our councillor and is doing a fantastic job .In 2009 after many meetings and consultations with local MP and with Telford and Wrekin Council and Hadley and Leegomery local council to provide a defined a clearly defined Geographical boundary.also Royal Mail Post Office agreed in consultation with the residents on the proposed name change from Leegomery to Apley over 95%of Residents supported the name change which also saw postal address in the are changed to Apley .We are very happy with our Borough and we do not wish to change .
