

Telford and Wrekin Borough Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name: Nil

Comment text:

So under the new proposal not only does this put a divide within the community it places Horsehay common, Horsehay pool, Horsehay station, Horsehay village hall, Horsehay and Spring village conservation area under Dawley & Aqueduct. I would prefer a councillor who represents the community I live in and not just become a number that is placed in a box and reviewed every time ongoing developments take place to ensure councillors have an equal share of the population.
