I do not agree with the changes to the boundary commission review of Telford & Wrekin ward boundaries 2021/2022. To place Horsehay in the "Dawley & Aqueduct" ward would certainly reduce the desire of people wanting to move into the area now known as Horsehay & Doseley. I fully agree with what Councillor Dave Hopkins March 22nd 2022 has proposed (If the boundary must be changed). I have lived here for over 32 years, serving on the Horsehay Village Hall Committee for nearly 30 of the and [REDACTED]. The village hall is owned by the residents of Horsehay & Doseley, It is run by a management committee and as stated in our constitution "To promote for the benefit of the inhabitants of Horsehay and Doseley". The Village Hall, Horsehay & Spring village, Horsehay Steam trust and Horsehay Golf Course under your proposal would be incorporated into the "Dawley & Aqueduct ward". Horsehay, Spring Village, Doseley would cease to exist Dawley is not a preferred place to live for many people, look at its high street very few decent shops, the drinking in the street and bandstand some drunk and incoherent before midday especially on market day which is inside the prohibited area surrounding DAWLEY is not pleasant to see. I certainly do not want my community identity associating with Dawley I am proud to say I live in "Horsehay" something that would change if I lived in "Dawley". Please consider your actions before changing what isn't broken
