I would like the LGBCE to know that my wife and I are both firmly against the proposal to merge the wards of Shawbirch and Dothill. We both feel strongly that our ward of Shawbirch must remain an independent one in order to protect its identity. I am certain that many people in Dothill feel the same about their ward and its identity. We chose to live in Shawbirch, not 'Shawbirch paired with Dothill!'. [REDACTED]
