I strongly believe that the proposed changes to the Telford & Wrekin Borough Wards of Shawbirch, Dothill, and Wrockwardine are detrimental to the best interest of the residents. Combining Shawbirch and Dothill into a single ward with multiple members will reduce the efficacy of the members to best serve the needs of the residents. These 2 wards are completely separate with no roads directly connecting them. Cutting a wedge out of the Shawbirch ward in order to transfer those residents to Admaston & Bratton effectively divides that portion of the housing estate from the other potentially creating a conflict of interests. If additional numbers are required in Admaston & Bratton, the the new housing development in the Allscott area (450+ houses), who have no existing ties to their ward members, should be allocated.
