The two Wards of Dothill & Shawbirch, within the T&W borough are two distinct areas separated by the east/west B4394, mainly consisting of 1960's and 1990's private housing stock, with no direct road connection between the Ward centres. Each Ward has local shops and amenities. The reallocation of some roads on the west side of the Shawbirch ward to the Admaston/Bratton Ward is a short term idea, being aware of large scale housing potential in the near future on the west side of the Admaston.Ward. I cannot see any merit to combine the Dothill and Shawbirch Wards and alter the existing Shawbirch Ward boundaries and I oppose the LGBCE ideas being considered.
