A large black rectangular box redacting the personal details of the user.

### Comment text:

We are in Cuddington and feel this is a minor change, however we also feel we should actually be in a London borough, not Surrey CC. It's really annoying that works in our area by other London councils in our area affect us directly, and we have no say about it. Time to deal with the historic anomaly of Worcester park being LB Sutton, RB Kingston AND Surrey CC.
