Comment text:

When we first moved to Windmill Lane we were in Town Ward. It subsequently changed to Ewell . We feel very much on the edge of Ewell and do not identify with the village and conservation area. Even the local associations confuse us as we get included in Ewell Downs publications as well as the village. Looking at the identification of wards map we look like an appendage of Ewell with Windmill lane split in the middle with both Dirdene gardens and Chuters grove .
