

The area known sometimes as 'Artists Corner' (Leighton Rd, Frith Rd, Poynter Rd, Lanseer Rd and Prinsep Rd) is currently in the 'Hove Park' Ward. This area is much more similar (style of housing/parking etc) to the 'Poets Corner' area to the South as opposed to the area north of the Old Shoreham Road which is where of the 'Hove Park' Ward is. It would make more sense for this area to be in the Westbourne Ward. There is also a new development across the road from 'Artists Corner' in what was previously the 'Sackville trading estate. It would make more sense for this area to be in either 'Westbourne' or 'Goldsmid' wards - the flats with limited car ownership/parking will be very different from the rest of the Hove Park ward. In addition general consideration should be given to the fact that some more central wards have a higher population per councillor than wards on the edge of the city (like Hangleton and Knoll) - this should be addressed so that residents in the centre of town are not disenfranchised.
