firstly the map I was given is not the same as on here ? so very confusing. would like conformation of area it involves. by are map does not include Market Drayton, map finishes at Buntingsdale Estate. and what is the point of all this, money wasting and cutting back services. and what will it alter ? house rates / serves/bin collections. will it alter our parish council ? will it alter schools in our area. hospitals. there needs to be a reason for wasting money ?all letter heads challenged etc and will it alter road works.
