### Comment text:

I think the expansion of the electoral boundary s misguided and disingenuous. Firstly it seems to be a politically motivated and secondly it dramatically reduces to voice for thousands of people at a local level. The current boundaries allow for the specific pressures and individual nature of rural villages to be heard. Mickleham residents will have totally different requirements to those of Leith Hill. Please leave boundaries the same giving individual villages a voice. To do this will dramatically reduce our democratic rights.
