Subject: objections to the proposed LGBD changes

Categories: Submissions, [REDACTED]

Dear sir/madam

Having been a Bookham resident for over forty years I strongly object to the proposed boundary changes for two reasons.

1. The identity of Fetcham and Bookham villages would not be maintained - quite the reverse - each would be divided.
2. Councillors would have to try to keep up to date with things in two wards, not just one. This would lead to extra work loads and inefficiency.

I trust that the Boundary Commission will review its proposed changes immediately.

Yours faithfully
