Currently the Milbrook ward appears to only take in half of Milbrook and also part of Shirley. My suggestion is that the Milbrook ward be extended to the south side of Lower Brownhill Road and stop at Tebourba Way (north) and Oakley Road. The rest of the existing ward should be incorporated into Shirley , which should be split into two or even three wards. Possible upper / middle / lower Shirley or east / central and west Shirley. Redbridge can incorporate some of the adjacent Coxford ward to incorporate Lordshill.
