Regarding swaythling /bassett wards. There is a Herbert Collins Residents Association which appears to be being slit up by the new ward boundaries. In particular it would seem sensible to have Ethelburt Avenue in the Bassett Ward. The Residents Association seeks to protect and uphold the conservation area so it would be extremely helpful in governing this and keeping the community together to keep all it in the same ward. This includes part of Leaside way, Bassett Green Road, Field Close and Somerfield Gardens.
