I live in Rossington Avenue, Bitterne. I am in the Harefield ward and have never felt part of it. Obviously the Harefield Estate makes up the largest part of the ward and feel that the councillors have always included centred on the Estate itself and therefore I have always felt under represented. I feel that Bitterne Park would better represent my road. I see that Glenfield Ave is now part of Bitterne Park ward. Rossington Ave runs parallel with this road so the new boundary will make me feel even more marginalised geopolitically.
