I live in Welbeck Avenue in Portswood Ward near Portswood School and Portswood Rec. I think it would be mighty strange to move the boundary with Swathling south so that it would run along Welbeck Avenue putting the school, the Rec and many of our neighbours into Swathling Ward. We, and all our neighbours with whom we have discussed this proposal, want this area to remain in Portswood. We have a very strong community in this area that is built around the school and the Rec so please don't weaken that by making this change.
