### Comment text:

Billing Parish Council is made up of four areas, Ecton Brook, Great Billing, Bellinge and Little Billing. Following the setup of the unitary, three of the parish areas (Ecton Brook, Bellinge and Great Billing) were allocated to Billing & Rectory Farm Ward and the remaining area Little Billing to Riverside Park Ward. As those four areas make up Billing Parish Council, we would like them to all be reunited and allocated to the same ward and not split as they currently are. This will then bring consistency across the parish.
