Organisation Name: West Wycombe Parish Council

Comment text:

The initial recommendation that West Wycombe Parish be moved into the Chiltern Villages Ward, along with Piddington and Wheeler End Parish Council would create the largest geographical Ward in Bucks. We would like to suggest an alternative Ward structure which would consist of West Wycombe, Piddington & Wheeler End and Lane End Parish Councils with 4,500 residents with one Councillor with the A40 and transport issues as the common denominator.
