### Comment text:

At a meeting of Leckhampstead Parish Council held on 12th October 2022, all Councillors agreed to object to the proposed change of ward for our parish. We respectfully request to remain in Buckingham ward for the following reasons: We have historical links to Buckingham and work closely with Buckingham Town Council and our Local Community Board (e.g. recently securing funding for improvements to our village hall.) Our residents use transport, school, health, leisure, shopping and other services in Buckingham ward not Great Horwood. We have close ties with neighbouring Buckingham ward parishes (Maids Moreton and Akeley), working together on issues of mutual concern (e.g. speeding, housing developments and construction traffic.) The A422 carriageway physically divides Leckhampstead from the Horwood ward. Only one Parish residence is on the Horwood side of the A422. We have no connections with Great Horwood. Your consideration of our request would be appreciated.
