Organisation Name: Suckley Parish Council

Comment text:

Suckley Parish Council held an extraordinary meeting of the Council on Monday 16th August 2021 to consider the proposed boundary/ward changes relating to Malvern Hills District Council and Alfrick & Leigh Ward in particular. After considerable discussion, the following are the preferences for the changed Ward size:- 1. Suckley Parish Council would wish to have two District Councillors representing the restructured Ward. 2. The Parish Council feels that Suckley has more in common with Rushwick e.g. transport links plus Suckley Church Parish is linked to Rushwick & Crown East and shares the same Vicar - Revd Anne Potter. 3. A number of Suckley parishioners are registered with the Knightwick GP surgery, so the Council is not averse to including Knightwick in the restructured Leigh & Rushwick Ward which would then comprise Alfrick & Leigh, Rushwick & Suckley plus the option of Knightwick
