

Malvern Hills District Council

Personal Details:

Name: Michael Huskinson

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Guarlford Parish Council

Comment text:

I am currently chairman of Guarlford Parish Council which met on 13 September last and considered the possible changes to the Malvern Hills District Council Wards and Ward boundaries. The Village of Guarlford currently forms part of the Powick Ward, along with Powick, Newland and Madresfield and other local settlements. The Village is a small community still based largely on agriculture and significantly different in nature from the largely urbanised Wards in Great Malvern, Barnards Green etc to the west. Parish Councillors are content with the current Warding arrangements but if they must be changed they are firmly of the opinion that a re-arrangement which included parts of Hanley Swan and Hanley Castle to the south would far better reflect the interests and identities of the local community in the Village of Guarlford than parts of the Wards in Great Malvern, Barnards Green etc mentioned above. M G Huskinson for and on behalf of Guarlford Parish Council
