

## Telford and Wrekin Borough Council

### Personal Details:

**Name:** Simon Eccleston  
**E-mail:** clerk@greatdawley.com  
**Postcode:** [REDACTED]  
**Organisation Name:** GREAT DAWLEY TOWN COUNCIL

### Comment text:

The parish council has considered the boundary for the Dawley & Aqueduct Borough ward proposed by the LGBCE. We believe that the Horsehay Common and Horsehay Pool area should be placed in either a Horsehay or Lawley ward and the current Dawley & Aqueduct Ward boundary in the west should be retained as it is currently drawn. Residents in the Horsehay Common and Horsehay Pool area look towards Lawley and the Lightmoor areas in terms of their community connections. The pool is a key focal point for these communities and residents also use the very popular chip shop there as a key community location. One of the key players in the area, the Telford Steam Railway, has a heritage line that runs between Horsehay and Lawley. These types of community connections continue to mature as new homes built in recent years continue to settle and mature
