

Lancaster City Council

Personal Details:

Name:

E-mail:

Postcode:

Organisation Name: Borwick Parish Meeting

Comment text:

Borwick should remain in Kellet ward and not be moved to Warton . Borwick has more in common with the villages within this ward and has been politically served by the local councillors for years. Warton is physically isolated from Borwick and Priest Hutton by the M6 motorway and A6 trunk road. It has little in common with Warton.
