Dear Sirs

Re: Betchworth Parish Council – Boundary Commission Draft Recommendations

I am writing on behalf of Betchworth Parish Council who have reviewed the second stage of the consultation at our last Parish Council Meeting in May 2022.

We are pleased that the commission have considered our previous comments and have recommended to keep Betchworth, Brockham and Buckland together, we are also happy with the proposed inclusion of Box Hill and Headley to make it a 3 member ward to align with your objectives.

The Parish Council however, must object to your proposed Ward name of 'Brockham and Box Hill', we believe that this is not inclusive and transparent. We would like to propose that the ward name is changed to include all 5 parishes and is called 'Betchworth, Box Hill, Brockham, Buckland and Headley Ward'. This will ensure that all areas are incorporated, and it will be transparent to local parishioners which areas are included within this larger proposed ward.

Yours faithfully

Cheryl Sexton
