Comment text:

If these boundaries go ahead I think some of the ward names should be changed. Fallings Park should be changed to Wednesfield West as very little of Fallings Park is actually in the ward. Most of the ward is actually classed as Wednesfield. Bushbury North should be Bushbury North and Fordhouses as 40% of the ward is Fordhouses. Local people west of the Stafford road and on the Mill Dale Estate refer to themselves as living in Fordhouses and not Bushbury. Ettingshall should also have its name changed as Ettingshall Park is no longer in the ward. Heath Town should be called Heathfield to recognise the area of Wednesfield within its boundaries. I welcome the changes to Oxley ward and actually think they better represent the area and the local community. St Anne's going into BN is also a good thing as it unites Fordhouses under one ward.
