I have been told there are plans to move Coalway Road into Graisle Hill from Penn. This completely unacceptable I hope these are just rumours as this would create an uprising in the Coalway Road community. I must say this is an absolutely pathetic decision. The very idea of joining graisle hill makes me wish I never moved to Coalway Rd in the first place. This perhaps the worst decision that could be made on the behalf of the community. I have no idea why this is being done. But whatever the reasoning IT SHOULD NOT BE DONE UNDER ANY CIRCUMSTANCES. I have made my sentiments known and if you continue to proceed with plans. The other residents will be more than happy to let you know as well.
