Subject: Change of boundaries in Wolverhampton

Categories: Submissions, Matt

Whoever it may concern.

I want to share my feeling around the changes that have been made in Wolverhampton by the boundary commission.

Please can you share (where as a tax payer and resident of Penn) you have consulted to the changes with the local residents?

I am at a loss at to why you feel it necessary to meddle and move our boundaries? Why have these changes been made and who has agreed them? Whom have you consulted??

Absolutely disgraceful, get them changed back immediately. If I wanted to live in Pennfields I would have brought a house in Pennfields.

I shall be sending an email to my local councillor/PM. This government is a disgrace and doesn't represent its people if it allows changes like this to be made without asking the people affected.
