1. Maintain Penn ward boundaries as they are. Currently similar to other wards that are recommended by LGCBE. 2. The proposed changes leaves Penn without clear boundaries 3. The proposed changes mean Penn would lose our only Catholic Church. The ward would then less reflect our community identity 4. The current number of electors is within the boundary of 10% from the average number of electors per ward predicted for 2026 and therefore doesn't warrant change. 5. The shopping area on the corner of Coleway road (fantastic etc) is part of the character of penn ward and is not needed by graisley which has its own shopping areas
