Penn Ward boundaries. 1) Penn Ward Boundaries should be maintained as they currently are. Penn Ward had similarities with Merry Hill, Tettenhall Regis and Tettenhall Wightwick and these 3 wards are already recommended by LGBCE and local council to remain as they are. 2) The test around clear boundaries is definitely compromised as relinquishing both sides of the Coalway Road to Graiseley and taking both sides of Goldthorn Hill and Cotton Road to Blakenhall leaves Penn Ward no strong, clearly-identifiable boundaries. 3) The shops at the Coalway Road are well used by local people and these unique shops are part of the 'Character of Penn Ward'. This community shopping area fits in well with Penn Ward. Graiseley already has its own community shopping areas. 4) Average number of electors in a Ward per Councillor is 3,175 The proposal to maintain Penn Ward as it is, will still leave Councillors with electors within the range of 10% of the average of electors over the forecast period of 2026. 5) The test around 'reflecting community identity, has been ignored. Penn Ward will lose its well-loved and only Catholic Church in the community. St Michael's Church at the moment comes under the Penn Ward and a lot of Penn Residents are proud of this community Church.
