I don't understand why you would split a ward ie. Vinters Park and add part of it to Grove Green. I live in Bargrove Road ME145RT and do not want to be classified as part of Grove Green. I don't understand why Vinters Park isn't a stand alone ward?? Are the residents going to be kept informed of the benefits or downfalls of this change? In addition is this going mean changes to council tax charges? There are lots of questions that need to be considered and answered prior to say changes the council are planning!
