### Comment text:

We have lived in the Parish of Boughton Monchelsea for 22 years. When we moved into our new house, we, and our neighbours, were asked if we wanted to be in Boughton Monchelsea Ward or Park Wood Ward. We indicated a preference for Boughton Monchelsea Ward. That was ignored and we were added to Park Wood. My wife and I have been directly involved with Boughton Monchelsea since we moved to the area. I have been Chairman of the Parish Council, Chairman of the Scout Group, Chairman of the Village Fete Committee and acting secretary of the Community Choir. We have no connection to or involvement with Park Wood. We would like our votes in local elections to affect the Parish in which we live. The whole of what is now known as the Joywood Estate should be in Boughton Monchelsea and Chart Sutton Ward.
