I would like Loose to remain as it is. Although I can't find what the new proposal is but have amended rumours online. My concern is how this is being publicised as there have been no leaflets through doors so it appears if you aren't on social media you would have no idea. I have lived here most of my life and my parents do too. My children go to Loose Primary School and use the Loose pavillion. It is a lovely area and people pay to live here for it's reputation. If you change it so it no longer exists in its own right, what becomes of Loose school, Loose playing field, Loose Road and all the other things associated with this wonderful community. It does not need to be changed or amalgamated with any other area
