Dear Sirs

Local Government Boundary Commission – Maidstone Consultation

I wish to express my concern over the suggestion from Maidstone Borough Council that Harrietsham and Lenham ward is significantly altered.

The suggestion includes enlarging the ward in one direction while cutting it off in another and this would completely alter the representation that we currently enjoy.

At a time when Lenham is already facing considerable uncertainty due to the poorly considered and largely unsupported proposals of the council to place the major Heathlands development within Lenham it is simply not acceptable to alter the current representation that Lenham has by creating different wards to those that exist already.

The existing arrangements work well and do not need changing

Please reconsider the plan.

Yours Faithfully
