I am against the proposal to move Lenham Heath and Lenham Forstal from the Lenham and Harrietsham ward to Headcorn ward. It is obvious by name and geographical location that they should remain with Lenham in one ward. Lenham, Lenham Heath and Lenham Forstal share a natural affinity and connection. It is to Lenham that residents of Lenham Heath and Lenham Forstal travel for shopping, schools and other services. Placing them within Headcorn would impose an unnecessary and artificial boundary between Lenham and the residents living in its natural hinterland. Furthermore, being represented by councillors for a larger Headcorn runs the risk that residents of Lenham Heath and Lenham Forstal will effectively be disenfranchised as local issues and matters concerning them could not be adequately represented by councillors from a detached and distant location.
