Dear Sir or Madam.

Having lived here since 1978 & Lenham before that. I would like to say Platts Heath out of the Lenham Ward to Headcorn. My husband was a P-C for Lenham & we here are linked with Lenham & Harrietsham with schools there is a school bus to Lenham not to Headcorn. Churches St Nicolas is of the same vicar & linked to Lenham & Harrietsham not Headcorn. There is a good WI in Lenham which I belong too as do others. Headcorn is further away so most of people around here always go to Lenham for local shopping & GP, Dentist etc.

Our current Borough Councillors are serving us very well and are always around to help

especially during the pandemic.

Please leave the boundaries alone.  
it work well.

yours faithfully
