Reference – Local Government ward Boundaries

I am writing in reference to the above, and it has been brought to our attention by our local councillor that, The Local Government boundary commissioner is currently reviewing the ward boundaries; we would like to put forward our position when this is being reviewed. We believe it is essential that the Joywood & Lockham Farm estate, which is currently under the Boughton Monchelsea parish would also fall in the Boughton Monchelsea ward when these boundaries are finalised.

We have been residents in Boughton Monchelsea for over 22 years. Our children have grown up in this community using and supporting the local village play-school , Schools, beavers, cubs & Scouts. During the schools years, we supported and participated in Church activities many times.

We have always found Steve Munford, the local ward councillor for Boughton Monchelsea, to be a tremendous support to our community and has always been the local councillor that we would communicate with regarding any help or support needed in our neighbourhood.

We are also active neighbourhood watch members, and local litter picks to keep the local area and village in good standard and a safe place to live. We ask that when considering the boundaries that Joywood & Lockham Farm estate fall under the ward of Boughton Monchelsea, which we have supported along with other residents for many years.

Yours sincerely,

Darren & Nicola Potter
