Dear Sir/Madam

Re Parish of Boughton Monchelsea under the Ward of Parkwood

We refer to the above and wish to make a representation to the Review Officer, as residents of the Parish of Boughton Monchelsea, to become part of the Ward of Boughton Monchelsea.

The reasons for this are:

- We have lived in the Parish of Boughton Monchelsea for the past 21 years under the Ward of Parkwood and consider we have been unrepresented under this Ward and would be better served by being under the Ward of Boughton Monchelsea.
- We have connections with the Boughton Monchelsea village in so far as we use the village hall, recreation ground/play area and regularly walk the footpaths and open spaces in the immediate area
- Our daughter was married in Boughton Monchelsea Church
- Our grandchildren will hopefully be able to attend the local Boughton Monchelsea School.
- We use the local amenities such as the Cock Inn, Shop and Post Office
- We have had an affiliation with Loose Swiss Scouts and Boughton Scouts and have used the Boughton quarries for many years, supporting children from the village
- Our Joy Wood Estate is better suited for inclusion with Boughton Monchelsea area than Parkwood and is part of the neighbourhood watch scheme for Boughton Monchelsea
- We have in the past undertaken litter collections to maintain a tidy Boughton Monchelsea Parish for which we can be proud of

In conclusion we would support the Joy Wood Estate being in the Ward and Parish of Boughton Monchelsea.

Yours faithfully,
