- Alvaston/Boulton - Most of the people who live in the Boulton ward, if asked would say that they live in Alvaston. This is compounded by the lack of commercial centre to Boulton. - Wlmorton - In theory part of Alvaston but much closer to the city centre and disconnected from Alvaston by the canal path. Spider Island/Allenton - Those that live around the Spider Island associate with living in Allenton, however this area falls into Sinfin, Alvaston and Boulton. This demarcation does not make sense to the community. Sinfin - This neighbourhood also contains the area known as Osmaston. Those living in Osmaston do not associate with Sinfin at all.
