Dear Councillors, What are Labour thinking of? Oh sorry, they don't think do they, they haven't any brains. I have never heard of anything so outrageous in all the 25 years I have been resident in Oakwood. We are known for our great community spirit helping each other any way we can, these proposed boundary changes would destroy a huge chunk of that! What I want answered is, why do they feel the need to do this at all. The cost of all the signage changes would be humongous to say the least; but then, Labour have always been very well known for spending OUR MONEY willy-nilly on crack-brained schemes like this, they bankrupt everything they touch! Please, please, DO NOT let them get away with this, fight with everything in you to keep Oakwood intact. Thank you. [REDACTED]
