Comment text:

Having been born in Vange in 1953, can you tell me why it is going to be swolled up by Nethermayne ward and Pitsea Ward. In Vange you have Rectory Cottages 1858, All Saints Church 1100, Vange Primary School 1876, The Cottages Paytners Hil around about 1800, St Paul's Church Hall 1931, The Barge Pub now Islamic Centre 1832, Pitsea and Vange working man's club around 1929. All still there. What is that old in Nerthermayne and Pitsea Ward that is still there. Vange Village as it was called was there before. So why should we loose our identity. Change Nethermayne Ward and Pitsea Ward to Vange Ward.
