Subject: RE: LGBCE Bolton Draft Recommendations Consultation

Categories: Submissions, [REDACTED]

Hi [REDACTED]
I thank you for your time. It is hard to zoom out to see more detail whilst on a mobile phone. I have now been able to view this on a computer, thank you.
If I am being asked for my opinion I feel
Farnworth/Kearsley boundary should be at the traffic light junction of Longcauseway and Market St. Anything from the Market Street side of Longcauseway should be Farnworth anything on the Labour club side should be Kearsley. I don't feel as I am a Kearsley resident. I am proud to be a Farnworthian for 21 years.
Thank you

Subject: LGBCE Bolton Draft Recommendations Consultation

Dear [REDACTED]

I am writing to you in regard to the submission you made on our consultation website regarding the Bolton boundary review currently being conducted by The Local Government Boundary Commission for England.

You state that the ward of Farnworth is not showing. I would like to be of some assistance. If you use our interactive map with the buttons on the top left of the map you can click on the existing wards button on the left and click on the labels button on the right. The existing wards are outlined in blue and the ward of Farnworth is showing. After that if you were to click on the Bolton Draft Proposals these should appear in red. These show our initial recommendations of two altered and newly named wards of Farnworth North and Farnworth South.

If this is not as helpful as I hope you can also go to our webpage for Bolton, on which there are two non-interactive maps which you can view: <https://www.lgbce.org.uk/all-reviews/north-west/greater-manchester/bolton>

If I receive no response then I shall still pass your comment on to the relevant review officer for consideration.

I hope I have been of some assistance and if there is anything further I can do to help you, please do not hesitate to contact me.

Kind regards,
[REDACTED]
