I live on Bramley road and totally oppose the exclusion of Andrew lane park and it's surrounding streets from being part of my area. My councillor has worked tirelessly over the years to make this park a community space and this should not be taken off this area and it's residents, it is an insult to treat the residents of sharples hall and the estate like this after having lived here for nearly 40 years why suddenly take this little nugget of green area from its residents!! To allocate to people in Bromley cross and off Belmont rd!!
