Organisation Name:**Comment text:**

I would like to register my strong objections to the proposed boundary changes to Astley Bridge and Sharples. The proposal to split Astley Bridge would remove from the ward a number of residents that are members of and get involved with local organisations (such as the Friends of Astley Bridge, local churches etc which would under these proposals fall outside the ward). We work well as a community and with local Cllr's to improve the area and it would not be right to move these residents with close links, into a new ward with which there is no local connection. Indeed there is no direct road access between most of the areas that will be removed from Astley Bridge and the South Turton ward. I feel that this reinforces the fact that you are proposing to split our community in two. The residents shop within the Astley Bridge ward, use leisure facilities in the current ward, worship at local churches and mosques. Please reconsider these proposals in regard to Astley Bridge and South Turton so that our community can be kept together.
