### Comment text:

I wish to make known that I am certainly against the changes that are being proposed to the Astley Bridge ward. By removing parts of the ward I am concerned about the impact that this will have on the area. Local community groups and our ward Cllr's have worked hard to bring the area together and continue to do so, which has brought residents together and made the area much better. By removing key parts of the ward and so many residents, the community will be all the weaker. I am opposed to these proposals to split up an area that works so well, after all if it isn't broken why try and fix it.
