We wish to register our formal objection to the proposals which have been put forward to divide the current ward of Astley Bridge in Bolton. Astley Bridge is a distinct historic community which joined Bolton in 1897 and existed long before that! Many events take place within the community, including the Christmas Lights switch on, Remembrance displays and an Easter Egg hunt. Community groups and our local Cllr's have worked hard to bring residents from across the ward together. The area is very community focused and special, it should not be interfered with or divided in the way that is being proposed. [REDACTED]
