Hi,

I live in Brook Hey Avenue Bolton. My ward is Harper Green. I have seen the new proposal and in which the boundary commission has changed the Harper Green ward and it will be now Farnworth North Ward. The area I am living in is more part of the Farnworth North Ward however the boundary commission has excluded this from Farnworth North and included in Great Lever. Me and my many extended family members live in this area and we wish to be part of Farnworth North Ward. Our children goto Harper Green secondary school. All the roads in this area are connected to suggested Farnworth North Ward. I request the boundary commission to reconsider this and include Brook Hey avenue and neighbouring streets in Farnworth North Ward.

Kind Regards
